

EcoCapita is hiring

EcoCapita is a fast growing carbon Advisory service provider in the country. We have been consistently involved in various projects that deliver high quality carbon credits and promote sustainable development in the country. As growth asks for expansion, we are currently looking to recruit a highly motivated, dynamic individual with strong technical acumen in CDM projects for the following post:

Manager - Implementation (Bhopal/Hyderabad)

Duties

- Managing the CDM/VER project cycle from PDD to successful registration
- Liaison and maintaining good relationship with project developers as well as DOE
- Ensuring the project timelines are met
- Ensuring that the PDD and other documents are written in high quality manner

Qualifications and experience

- 2+ years of direct experience with all aspects of carbon finance project lifecycles, particularly in the writing and technical development of PDDs.
- Demonstrated success registering CDM projects
- Advanced degree in business, engineering, or environmental science
- Demonstrated success meeting project management goals
- Demonstrated success managing large account relationships and interacting with senior level executives
- Experience and familiarity with environmental markets
- Experience and familiarity with clean energy technologies
- Experience in Biomass based projects would be a plus

Skills Required

- Exceptional written, oral, and interpersonal communication skills
- Able to work independently as well as in a team
- Willingness to travel across India and abroad
- Proficiency in Microsoft Office Applications

Interested to apply

EcoCapita offers a competitive salary and excellent benefits corresponding to the qualifications, experience, and performance. If you are interested in joining us, we would be extremely happy to hear from you! If you are interested- kindly send your CV latest by **21st October 2011** to careers@ecocapita.in
